🎯 CAREER OBJECTIVE

To build a challenging career in Industrial Automation where I can utilize my technical and analytical skills, contribute to organizational growth, and continuously enhance my knowledge in automation systems, machine installation, and troubleshooting.

🛠️ TECHNICAL SKILLS

Automation & Mechanical Skills

• Machine Installation & Commissioning
• Preventive & Breakdown Maintenance
• Machine Troubleshooting
• Mechanical Assembly & System Setup

Software & Tools

• AutoCAD
• MS Excel & MS Word

🔧 CORE SKILLS

• Strong troubleshooting & problem-solving
• Root Cause Analysis (RCA)
• Quick learner & adaptable
• Leadership & teamwork
• Detail-oriented and analytical thinking

Professional Skills

- Analysing and troubleshooting programs.
- Reading 2D & Assembly Drawing
- Leak Testing and Greasing Process
- Poka – Yoke Selection Process

- Plating and painting process
- Preparing assembly drawings from 3D models
- Ball Screw and linear feeder, Conveyor assembly, Fabrication & Machining process, Handling Assembly magenetizer
- Operating conventional milling, Surface Grinding and Radial Drilling machines, Hand cutting, Hand Drilling machines and nut insert rivet guns.
- Knowledge of Cylinders, Valves, Hydro and pneumatics Equipment's Functions.

💼 PROFESSIONAL EXPERIENCE

🔹 Onsite Service Engineer – Automation

Razk Industrial Automation Pvt Ltd

📅 Jan 2025 – Present

• Installation and commissioning of industrial automation machines
• Calibration and integration of machines with existing systems
• Machine troubleshooting and issue resolution
o DataMan Barcode Scanners
• Optical setup (lighting, lenses, filters) and system optimization

---

🔹 Jayam Solution, Assembly Solutions, Hosur. Support toTEAL, Hosur. Hosur (Support to TEAL)

📅 2013 – 2018

Roles & Responsibilities:
• Understand machine drawings and making subassemblies
• Pneumatic routings and connections as per pneumatic circuit
• Handling conventional machines for rework and modifications
• Troubleshooting of machines
• Handling mechanical tools

🔹 Lotus Footwear Enterprise Ltd

📅 2019 – 2020

• Packing Supervisor
• FMA Analysis
• Country label checking
• Manpower handling
• Production support

🔹 **Engine Assembly – TVS XL**

TVS Motor Company
📅 2009 – 2010

• Engine assembly operations for TVS XL models
• Quality checking and inspection of assembled components
• Supporting production line activities
• Ensuring proper fitting and alignment of engine parts

🎓 EDUCATION

• **B.E – Mechanical Engineering**
Tiruvalluvar College of Engineering & Technology, Vandavasi – 2013

• **Diploma in Mechanical Engineering (DME)**
Pandiyan Polytechnic College, Thirupattur – 2009

• **HSC – Higher Secondary**
Govt Boys Higher Secondary School, Samalpatti, Uthangarai – 2005

• **SSLC**
Govt Boys Higher Secondary School, Samalpatti – 2002

📌 PERSONAL DETAILS

• Date of Birth: 10/04/1988
• Nationality: Indian
• State: Tamil Nadu
• Marital Status: Unmarried
